# How can we help

Citizens Advice Luton, the Law Centre and Luton Rights have a team of highly trained advisers working together to offer practical support and assistance on a wide range of problems including:

Debt

Welfare Benefits

Employment

Housing

Relationship Breakdown

Immigration

Free, confidential, impartial, independent expert advice and guidance is available under one roof and open to everyone in the community.

We are part of Luton Access, a cutting edge partnership initiative designed to transform advice services in the town—bringing together the most trusted and established specialist, independent advice providers in one location to give people the help that they need, when they need it.

Working together as part of Luton Access
