Dear School,

RE: BREAKFAST PACKS FOR LUTON SCHOOLS

I am writing to you to promote our new 'A Breakfast for Every Child' initiative.

Given the ongoing rise in the cost of living, we know that schools understand the challenges many families in Luton are facing. Our aim is to offer support to the most vulnerable families in our town by providing essential breakfast packs for your children.

In addition, if you are aware of any families within your school community who could benefit from a food parcel, we would encourage you to be a referral partner, which you are not currently. As a partner, you can issue vouchers to eligible families, allowing them to access our support services, as well as other benefits.

To request breakfast packs, learn more about accessing food parcels or for more information on becoming a referral partner, please contact me via email:
YasminS@lutonfoodbank.org.uk

Together, we can make a meaningful difference in the lives of the families struggling in our community.

Yours Faithfully,

Yasmin Sultana
